10. Yiwu City Bag World

The center of wholesale efficiency. Best for buyers looking for ready-to-ship blank totes or simple logo printing at the lowest possible price point.

Choosing the Best Material for Your Tote Bags

When working with a [custom tote bag manufacturer](#), the material determines both the price and the durability. Here are the most common options in 2026:

Canvas (10oz - 16oz)

Durable, washable, and high-perceived value. Ideal for retail and fashion.

Recycled PET (RPET)

Made from plastic bottles. Perfect for eco-friendly marketing campaigns.
